A Technology Unconference For Women

Do you ...

- a. feel overwhelmed by technology
- b. rely on your son to work your iPod or digital camera
- c. wish you had the skills for your dream job
- d. want to have fun learning about tech

... if so, it's time for Boot Camp!

Topics Include

PC and Mac, iPhone, iTunes, internet, websites, HTML, email marketing, consumer electronics, software, social media, Photoshop, InDesign, blogging, podcasting, digital photography, video and more!

Don't Miss

All-day help desk with computer pros, raffles, giveaways, schwag bags, official t-shirt, lots of networking and the cocktail party.

CAPECOD
